WEDDING PHOTOGRAPHY COLLECTIONS - 2022 - 2023

Welcome and thank you for the opportunity to be part of your celebrations. Because every Wedding is different, with varying needs & wants, we have created simple Collections including the basics.

From there, we custom create packages to suit each individual couple.

Unlimited coverage from bride preparations through to serving of entree at reception

Complete the wedding story with a wall print that embodies all that made it “your” special day.

Look outside the box and just “be” one with the landscape. This is timeless portraiture.

Coverage + inclusions:

Unlimited Digital Images (USB/DVD) –individually hand processed & ready to print

Supplied as High Res 16x10 inches at 300 dpi – Print resolution – cos what else is there!

(Your wedding ‘negative’ is 16x10 inches in size – Poster size high-res files)

Megapixels is the amount of information in the file – not a relevant way of determining what sort of resolution the file is. The less detail – i.e., grey sky – the smaller the Megapixels
